# CREMASCHI® FURLOTTI

## EDICIÓN LIMITADA

### DE FAMILIA

*Our Limited Edition presents a deep ruby red color. Its well developed bouquet is an elegant combination of cherry aromas with a light touch of black currant liqueur mingle with cassis, dry plums, sweet candied fruit and toasted hazelnuts. On the palate the wine is rich and juicy, with supple tannins, a hint of spicy oak, wide and soft, with delicate flavors that remember black tea leaves and leather. A perfect combination of fruit and oak takes us into a long and balanced ending.*

*Serve with rich patés, venison, game birds, mushrooms, cheeses like gruyere, Livarot and cheddar. Perfect wine with tender and lean red meat such as veal tenderloin or roasted rack of goat seasoned with fine herbs. We suggest you to serve at 18°C.*

### FAMILY & VINEYARD

An Italian-rooted family with 130 years of winemaking experience, now led by brothers Sebastian and Andres. The family history includes two knights and an inventor: Angel Furlo i founded the first Finca in Mendoza and was knighted by the Italian king, while Victor Cremaschi patented the Continuous Fermentation Process.

The winery is in San Javier de Loncomilla, surrounded by two rivers and the Andes mountain range. Their Peñasco vineyard has poor granite soil that's perfect for white wines as it preserves acidity and red wines as it creates fresher and lighter wines with vibrant acidity. The wines have high antioxidant levels due to a major temperature variation of up to 20°C/30°F.
